William Lloyd Garrison Esq.,

Dear Sir,

28

I am that you have been ap-

pointed as a Delegate from the American
Anti-Slavery Society to the inter-national
Conference to be held in Paris. I greatly de-
joice at the prospect of meeting you.
You will perceive, by the accompany-
ing Circular, that the period of meet-
ing has been postponed to the 26th of
August. This has been done in accordance
with the wishes of numerous friends.
It is hoped the change will be found
more generally convenient. I have the

myself in this letter to expressing
my own gratification that you have
been selected to represent a Society
which owes its existence to you, & which
has done such noble work. I would add
a word of deep regret that it has not
been my good fortune sooner to have
an opportunity of saying how much I
deplore the causes which in the past,
& under certain malignant influences,
led to strange men who, working for
the same end, ought to have been united
in modes of action as they were in sen-
timent. Let me be permitted to hope
that the future may be more
auspicious. I shall be really glad if

during your stay in Europe I can beg
any the smallest service to you. George
Thompson knows me well; so does
Miller the Rev. Both well. I am sure,
aply for my sincerity.

Believe me,

Dear Sir
Yours truly
L. A. Chamerovzow
